The location of the Racing Area is defined in 'Other Requirements and further instructions', sub B2. Approximate compass bearings and distances to the centers of the respective Course Areas are given. The Racing Area is defined as the area overlapping with 100 meters the Course Area where a boat can be racing.  
The Starting Area is defined as the rectangular area 100 meters to windward and to leeward of the Starting Line and 100 meters to each side of the Starting Line.

### 8 THE COURSES

- 8.1 The diagrams in 'Other Requirements and further instructions', sub B3 show the courses, including the approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left.
- 8.2 The approximate length of the course is such that a target time of approximate 45 minutes for the first boat is possible. A deviation from this target is no ground for redress.
- 8.3 Not later than the warning signal, the Race Committee Starting Vessel will display the approximate compass bearing from the starting line to Mark 1.
- 8.4 Marks 3, 4 and 6 can be replaced by a gate. Both marks of the gate shall have shape and colour as described in B3 for the original mark.

## SAILING INSTRUCTIONS 2011

### 9 MARKS

The Marks are described in 'Other Requirements and further instructions' B3.

### 10 THE START

10.1 Races will be started by using RRS 26.

10.2 If any part of a boat's hull, crew or equipment is on the course side of the starting line during the two minutes before her starting signal, the Race Committee will display flag V. This only applies for boats in the near vicinity of the Starting Line. Vlag V will be displayed until all boats have sailed completely to the pre-start side, but not after the starting signal. When RRS 30.3 applies, flag V will only be displayed from 2 minutes before the starting signal until 1 minute before the starting signal. The display or non-display of flag V is an aid, it shall not be ground for redress.

10.3 The Starting Line will be between a pole or mast displaying the respective Club Flag aboard of the Starting Vessel at the starboard end and the port end starting mark (ODM) at the port end of the starting line seen in the direction of the first mark.

A Mark ILM may be used. If a mark ILM is used, the following will apply: boats shall keep the mark ILM to starboard while starting. Mark ILM is a mark of the starting line as meant in RRS, part 2, section C, the introduction.

When applying RRS 30.1 the extensions of the Starting Line are the extensions outside of the Starting Vessel and Mark ODM.

10.4 Boats whose warning signal has not been made shall avoid the Starting Area.

10.5 A boat starting later than 4 minutes after her starting signal will be scored Did Not Start. This changes RRS A4.1.

### 11 THE FINISH

The finishing line will be between a pole or mast displaying a blue flag on the finishing vessel at the starboard end and the port-end finishing "Mark FM".

### 12 PENALTY SYSTEM

12.1 Appendix P of the RRS will be applied. Where in Appendix P is written regatta, this must be understood as weekend series.

12.2 If flag O or R is displayed in combination with one or more class flags, the signal will only be applicable to those classes.

12.3 The ISAF 'Interpretations of Rule 42, Propulsion' as of January 2005 are the reference for the Protest Committee's protests against boats under RRS Appendix P.

See <http://www.sailing.org/rrs2005/42interpretations2005.pdf>

12.4 For the 29er class: RRS 44.1 is changed so that the Two-Turn Penalty is replaced by a One-Turn Penalty.

**UNITED 4 SAILING REGATTA**  
**SAILING INSTRUCTIONS 2011**

**13 TIME LIMITS**

Boats failing to finish within 15 minutes after the first boat of her Class or Starting Group sails the course and finishes will be scored DNF without a hearing. This changes RRS 35, A4 and A5.

**14 PROTESTS AND REQUESTS FOR REDRESS**

- 14.1 Protest forms are available at the Regatta Office. Protests shall be delivered there within the protest time limit.
- 14.2 For each class, the protest time limit is 75 minutes after the last boat has finished the last race of the day. The same protest time limit applies to all protests by the Race Committee and Protest Committee and to requests for redress. This changes RRS 61.3 and 62.2.
- 14.3 Notices will be posted within 30 minutes of the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. Hearings will be held as soon as possible.
- 14.4 Notices of protests by the Race Committee or Protest Committee will be posted to inform boats under RRS 61.1(b).
- 14.5 A list of boats that, under the rules of Appendix P, have acknowledged breaking RRS 42 or have been disqualified by the Protest Committee will be posted as soon as possible.
- 14.6 Breaches of instructions 10.4 and 17 will be no ground for protest by a boat. This changes RRS 60.1(a). Penalties for these breaches may be less than disqualification if the Protest Committee so decides.
- 14.7 On the last day of a weekend series a request for reopening a hearing shall be delivered within the protest time limit if the party requesting reopening was informed of the decision on the previous day, no later than 30 minutes after the party requesting reopening was informed of the decision on that day. This changes RRS 66.

**15 ARBITRATION**

- 15.1 All protests involving only 2 boats and a rule of RRS part 2 or RRS31, will be subject to arbitration.
- 15.2 RRS 44.1 is changed to permit a boat to take a 30% scoring penalty as calculated in RRS 44.3(c) during the arbitration hearing. However the penalty shall not exceed 15 points.
- 15.3 RRS 63.1 is changed by adding: "The arbitrator may allow a protest to be withdrawn without the approval of the Protest Committee".
- 15.4 After a written protest is delivered to the protest desk, one representative from each boat will meet with the arbitrator unless the protestor requests that the protest be withdrawn. No witnesses will be allowed.
- 15.5 After taking evidence from each representative, the arbitrator will render his opinion:
  - a) The protest is invalid or no boat broke a rule. If the protestor agrees the protest may be withdrawn. If the protestor disagrees, the Protest Committee will hear the protest.
  - b) One or both boats broke a rule. The boat(s) breaking a rule may accept a penalty as mentioned in SI 15.2 and the protest may be withdrawn. If not the Protest Committee will hear the protest.
  - c) The arbitrator decides a full protest hearing is required. In which case the Protest Committee will hear the protest.
- 15.6 The arbitrator will not be a member of the Protest Committee that hears the protest but will be permitted to observe the testimony given to the Protest Committee and offer testimony. This changes RRS 63.3(a).
- 15.7 The abbreviation ARB will be used for an arbitration scoring penalty. This is an addition to RRS A11.

## SAILING INSTRUCTIONS 2011

### 16 SCORING

#### **Weekend series:**

For every weekend-series the Low Point scoring system of RRS Appendix A will apply. For junior and women results, scores will be used as calculated for the normal results.

When in a weekend-series less than four races have been completed, a boat's series score will be the total of her race scores in that weekend. This changes RRS Appendix A2.

#### **Overall score United 4:**

For the overall score the Low Point scoring system of RRS Appendix A will apply. For junior and women results, scores will be used as calculated for the normal results.

The final score of a weekend-series including a possible discard race will count as a separate race in the overall scoring. This changes RRS Appendix A9.

Only final scores, based on three or more races, will be used for the overall score.

When less than four weekend-series apply, the overall score of a boat will be the total of her scores in the whole series. This changes RRS Appendix A2.

### 17 REPLACEMENT OF EQUIPMENT

Replacement of damaged or lost equipment will not be allowed without approval of the Race Committee. Requests for replacement must be made to the Race Committee at the first reasonable opportunity.

### 18 OFFICIAL BOATS

18.1 Race Committee boats are carrying a flag with the text RC or a flag with the United 4 logo or can be recognised as described in this SI Other requirements and further instructions B.

18.2 Protest Committee boats will fly a flag with 'PC', 'IJ', 'Jury' or Flag J.

18.3 Rescue boats display a purple flag and are provided with a radio by the Race Committee. Rescue boats are not Race Committee-boats, but are allowed, only on request of the Race Committee, to infringe instruction 19.

### 19 SUPPORT BOATS

Team leaders, coaches and other support personnel shall stay outside areas where boats are racing (the 'Racing Area' and the 'Starting Area') from the time of the preparatory signal for the first class to start until all boats have finished or the Race Committee signals a postponement, general recall or abandonment for all races.

Breach of this instruction may result in a penalty for the related competing boat. The penalty will be determined by the protest committee.

### 20 PRIZES

20.1 For each Weekend Series the following prizes are available per class for helmsman and crew: 29er 3 prizes, 420 3 prizes, 470 3 prizes, Cadet 3 prizes, Europe 3 prizes, Laser 4.7 3 prizes, Laser Radiaal 5 prizes, Laser Standard 3 prizes, Optimist 10 prizes, Splash A1 3 prizes, Splash A2 3 prizes and Splash B 3 prizes.

## SAILING INSTRUCTIONS 2011

### Other requirements and further instructions

Note: A boat can not protest another boat for a breach of this section A, nor can this section A be ground for redress.

#### **A1 Safety**

- A1.1** The responsibility for a boat and the care for the safety of a boat and the entering into an insurance policy are the sole responsibility of the owner of the boat or the person who has entered the regatta. A competitor who leaves the Racing Area before the end of the race must inform the Race Committee as soon as possible and report to the Regatta Office immediately after her return in the harbour.
- A1.2** When one of the signals 'N over H', 'AP over H' or 'AP over A' is displayed on one or more Race Committee-boats, the boats from the Classes concerned must return to the harbour immediately. Returning to another harbour is only allowed in case of emergency. When boats are returning to another harbour they must inform the Regatta Office by phone without delay.
- A1.3** When afloat wearing of a personal flotation device is mandatory. A wet- or dry suit is not a personal flotation device. This changes RRS 40.1.

#### **A2 Liability and Insurance**

Neither ZV Workum, KZ&RV Hollandia, WSV Hoorn, ZC Kurenpolder, WV Breskens, Royal Yacht Club van België nor the Stichting United 4 Sailing, nor any other party involved in or with the organisation nor any person, who is used by above associations and/or parties, accept any responsibility for any damage including physical or personal damage, which occurs directly or indirectly before, during or after the races.

*Each participating boat shall be insured with valid third party liability insurance with a minimum of € 1,500,000 per event or the equivalent.*

#### **A3 Advertising**

Every boat shall carry on both sides of the first 25% of the hull a sponsor decal provided by the Organising Authority.

#### **A4 Harbour Masters**

The directions of the harbour masters, beach masters and site managers must be followed strictly. The penalty for infringing this instruction is at the discretion of the Protest Committee.

#### **A5 Sail numbers**

If a sail with the proper sailnumber is not available, a boat may participate with an other sailnumber. This other sailnumber must be used in the online entry and may not be in use by another in its class. Laser may not use a number in use by a boat in any Laser class. This changes RRS 77 and RRS App G.

#### **A6 List of competitors**

The list of competitors in each class will be posted on the Notice Board.

#### **A7 Results**

After the last race of a day the results will be posted on the Notice Board. The results will also be posted at the Regatta web site as soon as possible.
